About LocatED

- Government-owned property company, responsible for buying and developing sites for new free schools in England
- Provides the DfE and other bodies involved in education with advice on property and site related matters
- Manages sites and schools held by the DfE and free school trusts, that are not in use, to identify and implement enhanced value

Working with the DfE, school trusts and local authorities to improve the efficient use and management of school estates

- Unlocking funds from school sites to support additional capital investment in school buildings
- Developing capability in school trusts to manage estates and plan for the long-term condition of school buildings
- Supporting the disposal of surplus land on school sites
- Helping to release land for affordable and key-worker housing
